MARKETING HIGHLIGHTS

"GRITS," the first single from "COUNTRY JUBILEE," is creating demand for the upcoming album through mainstream Country radio, line dance platforms, and on video-based social media platforms. An animated lyric video and a colorful, high-production treatment video are being promoted through social channels and traditional video partners. The second single, "CHATTANOOGIE SHOESHINE BOY," will be the feature track with radio push at release date; and the third single post-release is "YOU AND I," with continued promotion at Country radio, and on video-based social media platforms leading into the album release. A full slate of appearances at CMA Fest Nashville, and a major media campaign to TV, radio, podcasts, print, and industry trades are under way. Fall "Jubilee Tour" dates TBD.
