"GRITS," the first single from "**COUNTRY JUBILEE**," is creating demand for the upcoming album through mainstream Country radio, line dance platforms, and on video-based social media platforms. An animated lyric video and a colorful, high-production treatment video are being promoted through social channels and traditional video partners. The second single, "CHATTANOOGIE SHOESHINE BOY," will be the feature track with radio push leading into the album release; and the third single post-release is "YOU AND I," with continued promotion at Country radio, and on video-based social media platforms. A full slate of appearances at CMA Fest Nashville, and a major media campaign to TV, radio, podcasts, print, and industry trades are under way. Fall "Jubilee Tour" dates TBD.
